

Babylon's Doom: A Call to Action (Caravan to Midnight #8)

Fred R. Coulter with J.B. Wells—September 25, 2024

Moderator: Fred Coulter is on the bridge of the ark; he'll prosecute the remaining episode. He Minister Fred Coulter has dedicated 60 years preserving Biblical Truth for future generations as secular and satanic forces challenge Godly principles in religion, government and society.

Fred's worked tirelessly as a minister, author and publisher. He's the translator of the *Faithful Version Bible* and has produced 15 books, numerous articles and thousands of sermons and videos *all aimed at safeguarding the true doctrines of Jesus Christ and protecting the integrity of the Scriptures.*

It was such an amazing experience to receive from him a leather-bound and engraved copy of his *Faithful Version Bible*. And you can get one too at:

- afaithfulversion.org
- truthofgod.org
- churchathome.org

I recommend it if you don't have a church, you'd like to go to church but you can't, or you don't have one within range, or you just would like to have it in the privacy of your own home. Nobody says it has to be a specific building. You can have Church at Home; just go to churchathome.org.

Without further ado, here's the minister himself, Fred Coulter. Welcome back, Fred. Thank you for coming on again tonight.

FRED: Thanks, John. I appreciated the segment before me because that's a perfect introduction to what I'm going to cover here and to answer your question.

Today we're living in extreme times and especially when you go through everything that he described what is happening:

- with the gangs
- with the cartels
- with the sexualization of children
- with the sex trafficking of children
- with the drugs

and everything like that!

Now let's go back and look at something and then we will see how all of this develops. You look back in recent American history, when they quit teaching the Bible or reading the Bible in

school, they dropped that out, and prayer in school, they dropped that out.

This plants the seed for the coming generation to delve itself into sin a step at a time, not knowing that down through a period of time, it becomes worse and worse and worse!

Then we come to where we have the great slaughter, which is Roe vs Wade. Here we are with all of these troubles and you can look back and see how all of those developed along the way that it is today. These things have come about because of the world system, *which is called Babylon the Great!*

In the book of Revelation, it tells us quite a few things about Babylon the Great. It is:

- the religious system
- the commercial system
- the educational system
- every aspect of human endeavor

Not just religion, religion has a part in it! But all of the things that come are because of Satan the devil.

Revelation 12:9—*this is where it all comes from:* "And the great dragon was cast out, the ancient serpent who is called the Devil and Satan, **who is deceiving**... [that's present tense participle, meaning *down through all phases of human history, Satan has been deceiving*] ...**the whole world**."

Now that deception comes along with benefits. The benefits are like Satan told Christ when he tempted Him:

IF you will bow down and worship me, I'll give you all the kingdoms of the world.'

The devil showed them to Jesus in a moment of time. and the devil said:

I'll give them to you **IF** you will worship me, for it has been delivered to me.

Satan the devil is the power behind all of it! All the problems that relate to human endeavor anywhere in the world, relates to:

- Are you following the way of the system of the world?

or

- Do you know the way of God?

Moderator: Hold it right there, minister, right there and pick up right where you leave off. This is such a

short break, you won't believe it. We'll be right back with Fred Coulter.

All right, let's carry on with minister Fred Coulter. Fred, if you can pick it up right where you left off, that'd be just fine.

FRED: Now let's go to Rev. 17, and we will see a description of this whole world system.

By the way, it's developing into the final phase of it, with a one-world government and a one-world religion.

I just did a message on the pope *who declared* that 'all religions are a pathway to God,' **which is not true!** That is the Babylonian system of the religions of this world.

Revelation 17:1: "And one of the seven angels who had the seven vials came and spoke with me, saying to me, **'Come here; I will show you the judgment of the great whore who sits upon many waters... [the many waters are nations and peoples and languages and tongue (v 15)] ...with whom the kings of the earth have committed fornication...'**" *In other words:*

- instead of teaching people the way of God
- instead of understanding what they need to do

they follow so that they can benefit themselves, and that drags everything into sin!

"...and those who dwell on the earth were made drunk with the wine of her fornication" (v 2).

Nothing is right on the earth, wherever you go. Look at what's happening in America **because we've rejected God!**

Verse 3: "Then he carried me away in the spirit to a wilderness; and I saw a woman sitting upon a scarlet beast that had seven heads and ten horns, full of names of blasphemy."

So, you have the governments of men, the religion of men, **all controlled by Satan the devil!** That's where we have all of this. Your previous guest spoke out about what's going on here in California and various places in America and in the world. I can cover on that a little bit.

Verse 4: "And the woman *was* clothed in purple and scarlet, and *was* adorned with gold and pearls and precious stones; *and* she had a golden cup in her hand, filled with abominations and *the* filthiness of her fornication."

- all the things that are wrong
- all the things that are against God
- all the things
- that are against Truth

- everything is compromised

Verse 5: "And across her forehead a name *was* written: MYSTERY, BABYLON THE GREAT, THE MOTHER OF THE HARLOTS AND OF THE ABOMINATIONS OF THE EARTH." *So it's the whole world!*

Now, we're stuck in this world, and what does God want us to do? So to answer your question, we find in Rev. 18, something else we need to do. We can't remove ourselves from the planet, *but we can spiritually take ourselves out of the system of this world while we still live in the world by following the way of God and the Truth of God, and that we devote our lives to God!*

Now, to devote our lives to God entails quite a bit more, which will be a complete other subject. I may touch on it a little bit more a little later.

Revelation 18:2: "And he cried out mightily with a loud voice, saying, 'Babylon the Great is fallen, is fallen...'—*and it's going to fall!*

The return of Christ is going to happen, and the resurrection of all of those who are the faithful saints down through time will be resurrected. And **Christ is going to bring the Government and the Truth and the right way to worship God on this earth to all people!** *But first, there has to be those who are called out of it.* So let's read it here.

Verse 3: "Because **all** nations..." That's why at the end time, **all nations**, everywhere you go there are:

- problems
- troubles
- drugs
- sex problems
- wars

Look at the wars going on, look at the attempted assassination of Donald Trump, and that was attempted, no doubt, **by the deep state!** Don't get me started on that. I'll get off the track here.

"...all nations have drunk of the wine of the fury of her fornication, and the kings..." (v 3)—**the rulers!**

Now, look at the thing with the United Nations. They've got a plan in place to finish bringing a one-world government, **and the only one standing in the way politically is Donald Trump!**

God has spared his life twice, and he is dedicated to making America great again, and he is going to be dedicated to stopping as many wars possible as he can. There are some other things that go along with that, with the coming temple in

Jerusalem and so forth, so we can get into that at another time. But we need to understand:

"...and the kings of the earth have committed fornication with her, and the merchants of the earth have become rich through the power of her luxury" (v 3). *That includes the whole financial system!*

That includes everything that they make on all the holidays of this world, and the one that's coming up here pretty quick is Halloween. That is Halloween? *Halloween is a celebration of:*

- **death**
- **witches**
- **satanism**

And always brought on really nice for the kiddies so that they can have some fun! Give them some candy, indoctrinate them with it, and we'll bring more sin later on to corrupt their lives even more.

So God says right here, v 4, here's what we are commanded to do; that's the whole process of coming out of this world.

Verse 4: "And I heard another voice from heaven, saying, '**Come out of her, My people...**'"

You need to get our book on *America and Britain: Their Biblical Origin and Their Prophetic Destiny* to know who it's talking about. It's also talking about those who are supposed to be the ones who are converted.

"...'**Come out of her, My people, so that you do not take part in her sins,** and that you do not receive of her plagues, for her sins have reached as far as heaven, and God has remembered her iniquities'" (vs 4-5).

They're going to have the judgment come on them when Christ returns. Now, that's the final judgment. We are leading up to it right now. Right in America, we're experiencing a lot of crime and difficult things coming upon us, and we need to understand about that. The way you begin to come out of this whole system is:

First, **you believe God!** Not what the theologians tell you, because they've been corrupted. All of the Sunday-keepers have been corrupted. There are a lot of people out there who think that they're good Catholics. I'm sure they're good and decent people, that's true! But you need to examine:

- What is it that they really teach?
 - Is it from the Bible?
- or**
- Is it from philosophy?
 - Is it from pagan religions?
 - What is it?

You need to check that out, because that's all what it is. Because when people leave God and they follow Satan the devil, they get into terrible and difficult times. That has happened over and over again in the history of the world and all nations.

Now, America started out good. They prayed to develop the Constitution, the Declaration of Independence. They believed in God, and all of the writers of the Constitution understood that this Constitution will only work if there is a religious, Godly people.

Now, there are two things in understanding about God, which is this.

1. How does He deal with the people in the world who are not called to salvation?
2. How does he deal with those who answer the call for salvation?

Let's see a perfect description of what we have in America today.

Isaiah 1:2—*God says this:* "Hear, O heavens, and give ear, O earth...."

This is a big deal! This is not just some little prophet in some little corner of the world. This is the whole world.

"...For the LORD has spoken, 'I have reared and brought up children, **but they have rebelled against Me**'" (v 2).

Rebellion means going against the Ten Commandments of God. The first place that people need to begin to come out of Babylon is:

- 1) **believe God**
- 2) **obey God**
- 3) **love God**

So, it's more than just out there and try and be good, because **IF** you don't follow what God says, **THEN** it's all going to end up in difficulties. Then He goes on to say here:

"...the people have rebelled..." (v 2)
"...My people do not understand" (v 3).

Verse 4: "**Ah, sinful nation, a people burdened with iniquity, a seed of evildoers, children who deal corruptly!....**"

That's what we have. That ties in with the prophecy of Deut. 28 about 'the stranger rising up high above you.'

Now we are seeing that they're organizing in gangs in cities, and they're going to take over. The federal government—because of the sins of the people and the sins of the leaders—are paying for all

of this out of taxpayer funds. Let's read on; we'll see how it describes it.

"...a seed of evildoers, children who deal corruptly! **They have forsaken the LORD...**" (v 4).

Now we'll talk about how to come back to God here a little later, but we have to understand that **you cannot expect things to work out well if you go contrary to God!** Doesn't matter if you're converted, doesn't matter if you believe in God or not, ***because the laws of God work all the time!***

Verse 5: "Why should you be stricken any more? You will revolt more and more; the whole head is sick, and the whole heart faint. From the sole of the foot even to the *top of the head there is* no soundness in it; *only* wounds and bruises and putrefying sores; they have not been closed, nor bound up, nor soothed with ointment" (vs 5-6).

That describes perfectly all the problems in America today. ***We have rejected God, and we'll see it starts out with the religious leaders!***

Now I hear the music there, so I guess we're going to a break.

Moderator: I want to point this out very quickly as we visit with minister Fred Coulter. Thirteen months

and two days ago, Yashar Ali, at the reset published this Iran's president orders the killings of Americans on US soil. In September, American taxpayers will pay to protect him on US soil. Then there's this one from eight hours ago out of the BBC: Trump warned by US intelligence of Iran assassination threat campaign.

So, there it is. I just want you to know about it's up there on my X-feed. All right.

FRED: We'll come back to what you said there because I have something that touches on that, as well.

Here in Isa. 5—think about this—when you look at what's going on:

- in the world
- in your life
- where you live
- regardless of what country you are in
- regardless of what you may be

You think about this, because ***it is a frightful thing to reject God!***

ALL the laws of God work automatically. Stop and think about this: Is there anything in the world that doesn't operate according to some law? Whenever you break that law or you break that rule, difficult things happen! Don't we even in sports have rules and penalties?

The Word of God and human living is far more important than any of that. But yet people want to go on their own way, but they don't know where to go. People want to devise *their own religions*, but that's not what God wants.

Satan is ruling and controlling the whole world. So, as we read, you have to come out of Babylon. Well, let's see what you have to come out of:

Isaiah 5:20^[transcriber's correction]: "**Woe** to those who call evil good and good evil; who put darkness for light and light for darkness; who put bitter for sweet and sweet for bitter!"

That's exactly what has happened. Satan comes as an angel of light, saying, 'I'll do this for you.' *But it's evil!*

Verse 21: "**Woe** unto *them that are* wise in their own eyes, and prudent in their own sight!"

They say, 'We don't need God; we can work it out ourselves.' How has that ever worked? *Not very good!*

Verse 22: "**Woe** unto *them that are* mighty to drink wine, and men of strength to mingle strong

drink: wine and to men of strength to mingle strong drink... [add in all the drugs and everything] ...who justify the wicked for a bribe... [all the political system we see going on] ...and take away the righteousness of the righteous from him!" (vs 22-23). *Therefore, here's what happens: **Difficulties come!***

- look at the cities
- look at the countries
- look at whatever it is

We are in a desperate situation in America, and it will get down to this:

Verse 24: "Therefore, as the fire devours the stubble, and the flame burns up the chaff; their root shall be like rottenness, and their blossoms shall go up like dust **because they have cast away the Law of the LORD of hosts, and despised the Word of the Holy One of Israel.**"

Now, that's exactly what has happened. You look at it. Even the religionists say 'we're under grace.' Let me tell you something; here's a fact: It says in:

Romans 7:1 "Are you ignorant, brethren (for I am speaking to those who know law) that **the Law rules over a man for as long a time as he may live?**"

Every man and woman is subject to the Laws of God, and the Law rules over you two ways:

- 1) When you are **under Law**, that means that you are *under the penalty of Law*, because what you are doing is sin.

The fake religionists say that if you keep the Commandments of God, ***you put yourself under Law! NO!*** You put yourself *within* Law!

- 2) If you're *within* Law, *you're not breaking the law and you're not sinning!*

That's why Paul said that he was always *within* Law to Christ. Jesus said that everyone should live by *every* Word of God.

Let's come back here to Ezek. 22, and let's look at what is happening right here. We'll talk a little bit about Donald Trump and what he has gone through. No man in recent history has gone through what he has gone through by the vicious evil people in politics and in religion and whatever, to try and destroy him, ***because he is not of them!*** He wants to do what is good and right for the country, and he wants to do what, and what is good and right for the world.

So, he's one man against everything, and they've tried to kill him, to get rid of him, to break

him and everything, and his resolve is that ***he is more determined than ever to do what is right!***

So, if for all those evangelicals out there who don't get out and vote, you better get out and vote or the worst is going to happen. We'll see it right here in Ezek. 22.

Moderator: If I could interrupt you? What is it that would incline anybody—when they see the state of the country over these last almost four years—yet, some people are actually considering having this so-called administration of 'comic rats' in for another four years? Do they have no concept of what will happen in the future four years between effectively 2024 and 2028?

FRED: "Yeah, well, because ***they are deluded:***

- by their own lies
- by their own greed
- by Satan the devil

Those who are in political power, ***want that power!*** They are inspired by Satan the devil, and they take lawfare. They decree unrighteous decrees, which God says, 'WOE to those who decree unrighteous decrees.'

They take that and make that the law and persecute people for doing good. Because they're so evil, they want to enforce the evil. and that's Comrade Kamala Harris there.

Now, this will be very enlightening; Ezekiel 22:23: "And the Word of the LORD came to me, saying..."

Everyone needs to understand that the Bible contains ***the Word of God from the true God:***

- Whose Word is true
- Whose begotten Son, Jesus Christ, was God manifested in the flesh

Jesus said that ***we are to live by every Word of God!*** So that's where it starts coming out of Babylon. You look at your life and you look at the Laws of God, you look at the way of God. ***IF*** you're just a newbie, start in the book of Proverbs. That will help you more than anything else to start to understand what's right or wrong, good or evil.

Ezekiel 22:24: "Son of man, say to her..."

That is to the people in Jerusalem and all the children of Israel, which includes us today, which is a prophecy for us today.

"...*'You are a land that is not cleansed, nor rained upon in the day of indignation.'* There is a conspiracy of her prophets in her midst, like a

roaring lion tearing the prey...." (vs 24-25). That's by those who are the religious leaders:

- who tell people lies
- who observe pagan days *that are not of God* and say they are of God
- who come and say you don't have to keep the Law, that come and say that it doesn't matter what you do, because you're under grace.

That is a conspiracy of lies by the religious leaders!

"...They have devoured souls; they have taken the treasure and precious things; they have made many widows in her midst. Her priests have done violence to My Law **and have profaned My Holy things**...." (vs 25-26).

The religious leaders, that's where it starts from—***always!*** Then the political leaders

"...They have put no difference between the Holy and the profane, and have not taught the difference between the unclean and the clean, **and they have hidden their eyes from My Sabbaths**..." (v 26).

Oh, they read about the Sabbath; the 4th Commandment says remember it, but they forget it. ***They reject that and keep Sunday or keep Friday if you're a Muslim***, or whatever other day any other religion has.

"...and I am profaned among them. **Her rulers**..." (vs 26-27).

Here it is right here! Think of this with Washington, D.C., California, New York, Washington, Oregon, Illinois, whatever other state ***where the satanic Democrats are ruling.***

Verse 27: **"Her rulers in her midst are like wolves tearing the prey,** to shed blood and to destroy souls, to get unjust gain. And her prophets have covered themselves *with* whitewash, seeing false visions and divining lies unto them, saying, "Thus says the Lord GOD," when the LORD has not spoken" (vs 27-28).

That's why you need the Bible. That's why you need to send in for this special caravan offer #1, if you haven't done it. We have three specials on there. Now you can do that by going to **truthofgod.org** and click on Caravan Orders on the home page. Or you can call the office 831-637-1875. We'll send them to you. ***No cost, no charge!*** We will send them to you. You need this so you can understand what you need to do.

Verse 29: "The people of the land have used oppression and committed robbery, and they have troubled the poor and needy. Yea, *they* have oppressed the stranger wrongfully."

Notice v 30, because this is important, because we're at a point that God is looking: Is there anyone who's going to do something that is right and good?

Verse 30: "And I sought for a man among them who should build up a wall for the land, and stand in the breach before Me, so that I should not destroy it. But I did not find one."

But here we are. ***There is one man right now, historically.*** And **IF** God hadn't spared his life, we would be going down the drain like water falling over Niagara Falls.

That's why you need to understand that God is involved in this. He wants to know what the people want. He wants to know:

- Are you going to do what is right?
- Are you going to change your life?
- Are you going to help Trump come into office to try and straighten things out?

At least for whatever period of time that may be, that there can be the Truth preached to the world; the Gospel can go out. Those who need to answer the call can answer the call and so forth.

IF Trump is elected, **THEN** v 31 will be delayed. Therefore, that is, **IF** God cannot find one:

Verse 31: "Therefore... [if He couldn't find one] ...I have poured out My fury on them. I have burned them up with the fire of My wrath. I have recompensed their own way upon their heads," says the Lord GOD."

Now, ***that's what God wants!*** He wants repentance, and repentance is **coming to God!** I can tell you this: through all the years going through the Bible and teaching it and translating, presenting the only Bible in its original order... Which, by the way, is the only Bible in English in one volume that has all 66 books of the Bible in their manuscript order.

- **IF** you love God, you'll keep His Commandments
- **IF** you want to do what God wants, **THEN** He will bless you

Now, even in these difficult times:

- you need the blessing of protection of His angels
- you need the blessing of Him helping you physically, mentally, emotionally

and that's where repentance comes in!

One of the first messages after Christ descended into heaven, is what we find here in Acts 2, what happened on the Day of Pentecost the Holy

Spirit was sent. This is what has to happen to everyone. This is where modern Christianity misses the boat. ***There must be repentance, and there must be baptism***, because you can't have repentance and coming to God without baptism, which is necessary so that you can receive the Holy Spirit.

The little prayer that they have and say, 'Oh, Jesus, come into my heart.' NO! ***You come to God! You return to Him!*** Peter proclaimed on that Day of Pentecost when he told all the people:

Acts 2:36: "Therefore, let all *the* house of Israel know with full assurance that God has made this *same* Jesus, Whom you crucified, both Lord and Christ.'... [right there at the Temple of God in Jerusalem at that time] ...Now, after hearing *this*, they were cut to the heart; and they said to Peter and the other apostles, 'Men *and* brethren, what shall we do?'" (vs 36-37).

This is the answer how you come out of Babylon.

Verse 38: "Then Peter said to them, 'Repent and be baptized each one of you in the name of Jesus Christ for *the* remission...[that's the forgiveness, the pardon] ...of [your] sins... [*through the blood and sacrifice of Christ.*] ...***and you yourselves shall receive the gift of the Holy Spirit.***

That is the key, because it talks about those in Rev. 17 *who are with Christ! They are the called*, because the call goes out all the time. That's why the Bible is so available in so many languages. ***The chosen!*** How do you become one of *the chosen*? *You repent and come to God His way.* He says, 'Return to Me:

- forsake your thoughts
- forsake your ways

Come to Him!

- He will help you
- He will guide you
- He will bring you out of it

But ***IF*** you don't repent, ***THEN*** it's going to be like we have read with some of these prophecies, because they're all true:

- they will happen
- they will take place

because God is a God of Truth and Righteousness!

Remember this, the world before the Flood ***got so evil! Every thought of everyone was only evil all the time, and He destroyed them all!***

This is what it's all about. That's what we need to do.

Moderator: I wonder, Fred, I wonder if people understand where we are right now? Folks, listen, I never thought that I would be led in this direction until, well, a couple of things happened that many of you have already heard about.

- look what's happened to us
- look at the things they put on full display, like at the close of the Olympics
- look at all this prancing around, all this satanic imagery

You think they're doing that for fashion sense? ***They're not doing it to be stylish!*** They're doing it because that's what they roll with:

- that is what they believe
- that is what they embrace

I assure you, another four years of what we've experienced for the last almost four years, ***we will be under a totalitarian government and organization!*** People that you thought were on your side, they will turn on you like they never knew you, and, in fact, ***hate you because they will be under orders because...*** Well, they abandoned their faith a long time ago, too.

FRED: Let me emphasize what's going to happen. I'll tell you right now: The United Nations has a plan for conquering America. And one of that plan is to create civil unrest and war and fighting in America on a scale so that the president of the United States will order the peacekeepers from the UN to come in.

Then we will have soldiers from China; we will have soldiers from wherever. But the Chinese are already looking and eyeing to take over the western part of the United States of America. They will be invited in, and we will be ruled over by those nations. ***That's the plan to take down America!***

That's why it's so important that everyone get out there and vote for Trump. But more importantly, ***that everyone starts getting their lives right with God:***

- by examining your life
- by examining your mind
- by examining what you are doing
- by examining where you are going

That's why you need the book: *Why Were You Born?* You need to understand the great thing that God has for you. But we're living in such evil times that, like John has said here:

What is it going to be? ***It is going to be a slaughter beyond understanding!***

Moderator: I think we better take all of this to heart. I really do. I'm not afraid. I'm looking forward to the return of Jesus. He will come back. He's coming back. It doesn't matter what they think or what they say. ***It is written! Everything that has been written in what we call the Holy Bible is true! And the prophecies are coming true!***
